Guest Speaker David Edwards

David describes himself as an "itinerant postmodern pastor." For more than a decade, he has been sharing his unique brand of ministry to a postmodern generation, as he speaks more than 500 times each year to over 250,000 people. David speaks from his heart about issues relevant to the postmodern generation. Regardless of the setting, David's message is simple: helping people to discover the importance of a Christ-centered lifestyle and reintroduce the truth of God's Word by meeting people where they are in life and bringing them one step closer in the process of knowing and becoming like Jesus Christ. He has authored 13 books and you can find him at davetown.com.

Seminars and workshops on various topics will be offered.

'SOUL STEALERS'... Reclaiming a Life of Freedom, Hope and Love

There are a lot of things in life that can steal your soul: bad relationships, bad business deals, and bad life choices. Taking a look behind the obvious areas of life, Dave identifies the invisible soul stealers and how they impact the present circumstances of our lives. Dave provides Biblical insight on how to spot soul stealers, why we encounter them, and how we deal with them.

We are confident you will be challenged and encouraged as he shares God's truth throughout the weekend.

Inspirational Worship Leaders Robert & Joyce Hayes

The Hayes will lead in worship throughout this special conference weekend with a combination of piano, keyboard, and vocals. As artists-in-residence at America's KESWICK, the Hayes use a variety of hymns and praise choruses to lead guests in musical worship of our Lord.
